Re: Petition of Georgia Power Company for Declaratory Order Finding That a Certificate of Environmental Compatibility and Public Convenience and Necessity is not Required or, in the Alternative, Application for a Certificate of Environmental Compatibility and Public Convenience and Necessity for the Construction and Operation of Georgia Power's South Carolina Portion of the Graniteville – South Augusta 230kV Tie Line and Associated Facilities; Docket No. 2020-67-E

Dear Jocelyn:

Thank you for ensuring that the above-captioned matter was posted to the Commission's agenda for its Business Meeting that was held yesterday. Likewise, on behalf Georgia Power Company ("Georgia Power") we are most appreciative of the Commission's action yesterday granting Georgia Power's requested declaratory judgment.

I write today to advise that we plan to file a proposed order for the Commission's review and consideration. I have spoken with Mr. Nelson at the Office of Regulatory Staff ("ORS"), and we plan to coordinate our proposed order with ORS with the objective of filing a proposed order to which Georgia Power and ORS jointly agree. Of course, the proposed order will be drafted to confirm the Commission's action yesterday and will be submitted for the Commission's review and use as it may deem appropriate. While we will endeavor to complete the proposed order sooner, I hereby respectfully request fifteen (15) days or until Friday, April 10, 2020 to file same. Please advise if the proposed time in which to file a proposed order is acceptable.

From my review of the Commission's rules and policies, it would appear that the request contained herein is an administrative one that the Chief Clerk would have authority to approve without having to place this request on the Commission's action items for its next Business Meeting. That said, I recognize that you will make that determination, but my hope is that this simple request does not create a need for a Commission action item.

By copy of this letter we are serving via email all parties of record.

Thank you in advance for confirming a time in which we may file a proposed order in the above-captioned matter. Should you need further information, please do not hesitate to contact me. With warmest regards, I am

Very truly yours,
